

Owasco Watershed Rules and Regulations State-Local Technical Workgroup Report

For OLWMC Monthly Meeting: August 15, 2023

General Update:

The State-Local Technical Committee met on July 31st to review the state-recommended revisions to the proposed regulations. DEC, AGM and DOH have a follow-up meeting scheduled to clarify several items that came up during the review. DOH will send a revised version of the regulations out to the technical workgroup by the end of August. DOH will start the State Administration Procedure Act process and prepare the documents listed below the timeline.

Tentative Schedule:

Interagency Internal Review **	July 2023 to July 2024
Publication in NYS Register- Notice of Rulemaking	August 2024
End of 60-day public comment period	October 2024
DOH submits response to comments	December 2024
DOH publishes revised rulemaking	March 2025
Notice of adoption	July 2025

**This includes putting the regulations into express terms and developing supporting documentation in accordance with SAPA:

- Concept paper (DOH only)
- Regulatory Impact Statement (RIS)
- Regulatory Flexibility Analysis (RFA) or statement in lieu of RFA
- Rural Area Flexibility Analysis (RAFA) or Statement in lieu of RAFA
- Job Impact Statement (JIS) or Statement in lieu of JIS
- Executive Order 17 Assessment
- Executive Review Documentation (Proposed Rule Transmittal)
- SEQR
