

Owasco Watershed Rules and Regulations State-Local Technical Workgroup Report

For OLWMC Monthly Meeting: December 19, 2023

General Update:

This past month, DOH focused on putting the regulations into express terms and continued to develop documentation required to be published in the State Register.

Tentative Schedule:

| | |
|---|------------------------|
| Regulation Development ** | July 2023 to July 2024 |
| Publication in NYS Register- Notice of Rulemaking | August 2024 |
| End of 60-day public comment period | October 2024 |
| DOH submits response to comments | December 2024 |
| DOH publishes revised rulemaking | March 2025 |
| Notice of adoption | July 2025 |

**This includes putting the regulations into express terms and developing supporting documentation in accordance with State Administration Procedure Act (SAPA):

- Concept paper (DOH only)
- Regulatory Impact Statement (RIS)
- Regulatory Flexibility Analysis (RFA) or statement in lieu of RFA
- Rural Area Flexibility Analysis (RAFA) or Statement in lieu of RAFA
- Job Impact Statement (JIS) or Statement in lieu of JIS
- Executive Order 17 Assessment
- Executive Review Documentation (Proposed Rule Transmittal)
- State Environmental Quality Review (SEQR)
